Use brackets, braces, mounts or wall straps to secure unstable or top-heavy furniture or TVs to prevent tip-overs.

Check to make sure toys don’t have any small parts or other choking hazards within reach of small children.

Use approved safety gates at the tops and bottoms of stairs and attach them to the wall if possible.

Place liquid laundry packets up and out of children’s reach and sight.

Cut food for toddlers into tiny pieces. Children under 5 should not eat small, round or hard foods.
