Fire Safety Checklist

TIPS FOR PARENTS

CHECK SMOKE ALARMS

☐ Make sure there is a working smoke alarm on every level of your home, inside bedrooms and near sleeping areas.
☐ Test smoke alarms every month.
☐ Replace smoke alarms every 10 years.

CREATE AND PRACTICE A FIRE ESCAPE PLAN

☐ Create a home fire escape plan with two ways out of every room.
☐ Practice a home fire drill at least twice a year with your family.
☐ Choose a place to meet outside that is a safe distance away from your home.

IN AN EMERGENCY, LEAVE HOME IMMEDIATELY

☐ Make sure your family leaves the home immediately if there is a fire.
☐ Choose the safest escape route. If there is a lot of smoke, get low and crawl out of the house as quickly as possible.
☐ Call 911 after you are a safe distance away from your home.
